

# 〈Emergency contacts〉

**Fire/ambulance 119**

**Police 110**

**Disaster message dial 171**

## During quakes, making calls will be difficult

Decide contacting way of family and loved ones beforehand. The disaster message dial and disaster message board services will be offered to those in afflicted areas who have difficulty making calls.

A voiced bulletin for times of disaster: Dial **171** for disaster messages

**Recording method**

171 → **1** → **046** → Your home phone number

An explanatory message will play.

You will need an area code.

**How to play**

171 → **2** → **046** → Your home phone number

An explanatory message will play.

You will need an area code.

## How to regist your safety to the disaster bulletin board and confirm it

### Recording method

- ① Go to the fire message board shown on the menu screen
- ② Select 'register'
- ③ Select a status such as 'I'm safe' and a comment within 100 characters
- ④ Press 'register' and you're done

### How to confirm

- ① Choose the fire message board from the menu screen
- ② Select 'register'
- ③ Put in the cellphone number of the person you want to check on
- ④ Select 'search' and check for a message
